Dear Mrs. Curnan:

Dear Mrs. Roosevelt:-

I received your letter this morning asking for my decision as to what I intend to do.

I have been waiting to see you in person at the cottage as you told me to have my answer by the first of August.

I have decided to stay here in this house until Charles is out of the Army. I will buy my own coal as that is what I understood you to say when we spoke about the house.

I hope this is alright with you and want to tell you now that I really appreciate everything you've done for us since we have lived here. I thank you again for your kindness.

Sincerely yours,
Mrs. Charles Curnan.
