Dear Sir:

The news of your appointment as director of the War Refugee Board is very much appreciated by our organization. We herewith submit to you our heartiest congratulations and express our conviction that with your energetic guidance the War Refugee Board will be of great help in rescuing refugees from Europe.

The IVC is the central body of all refugees from Nazi oppressed countries of Central Europe. Its aim is to intensify the war effort of immigrants and to help them in their adjustment to the American way of life.

Our organization would appreciate a collaboration with the War Refugee Board and is certainly willing to extend any help it is able to offer to your important work. The IVC will be at your disposal whenever you shall call on it.

We wish you good luck.

With best regards,

Yours very truly,

IMMIGRANTS' VICTORY COUNCIL

Manfred George
