Dear Mrs. Roosevelt:

Last year I had the pleasure of sending you 10-1 lb packages of my shelled pecans and all the time you were at the White House Mrs. Nesbitt gave me generous orders.

I have them this year hand selected and hand shelled=

up this way they will keep all winter.

In late September I had the privilege of visiting Hyde Park and paying tribute to our Greatest American of all Time. We need his sane and able leadership today.

With best wishes and many thanks

Very sincerely
