Madame Eleanor ROOSEVELT,
Hôtel des Bergues,
GENEVE.

Madame,

J'ai l'honneur d'accuser réception en vous remerciant vivement de vos lignes du 23 avril 1951, par lesquelles vous nous faites le grand plaisir d'accepter le dîner que nous avions prévu en votre honneur. Il est évident que votre fils ainsi que son épouse y sont très cordialement invités.

Par ailleurs, ma femme a pris contact avec vos secrétaires pour leur exposer que le 3 mai étant jour de l'Ascension, il serait assez difficile de convoquer un dîner nombreux, d'où notre proposition d'une date ultérieure. J'ai pris note que vous avez envisagé le 15 mai, ce qui nous convient extrêmement bien.

Je me permettrai de vous indiquer encore le lieu de notre réunion qui ne sera pas pour vous, je l'espère, une fatigue supplémentaire, mais plutôt une réunion facile et confortable.

Avec l'expression réitérée de mes remerciements, je vous prie de croire, Madame, à l'expression de mes sentiments de très respectueuse considération.

Aymon de Senarclens.

Dear Mrs Roosevelt:

will you kindly let me know what agency to get in touch with to make my contribution for rehabilitating children? I listened to a program on the radio, but did not get the name right.

Thank you

yours truly: Mrs Desenberg

P.S. We talk about you a lot and always wish you the best of luck and health to carry on your tremendous burden of jobs.

Dear Mrs. de Soriano:

I am so delighted that you are enjoying Marie and the children. She wrote me that it is Heavenly to be there and she is having a marvelous rest.

Your life sounds delightful and I can not tell you how glad I am for Marie that you are able to give her this wonderful summer and that doing it has brought you pleasure.

I am afraid I am not going abroad this summer unless I have to go to Geneva for a meeting of the Human Rights Commission and in that case I shall go straight over and straight back.

With my kindest regards, I am,

Very cordially yours,

Dear Mr. Roosevelt

I am writing to tell you how happy I am to have Marie & the children. They have been here just over 3 weeks & I know Marie is at last having a real rest. We bathe every morning. The children come with us. Forbes is such a happy little person & loves being on the sand & Barbara loves paddling. In the after-noon I nearly always play golf, & I hope Marie will soon, or we take a drive or play golf. We lunch &

dine on the terrace & have
the most beautiful view in the
world to look at. It was a
view that they beloved Forbes
loved so dearly. The weather
here is perfect. I was in
Spain first months & certain-
ly that country is very well
run. France is picking up
every day & hope if you come
over as Marie tells me you
may, you might come down
this way & see us. Marie is
sailing back 17th Sept. I shall
miss her very much.
With kindest thoughts
Ethel M. de Soriano
