Dear Mr McClain:

Radio scripts are prepared solely for purposes of broadcasting and are rarely available for distribution in reprint form to interested listeners. We cannot, therefore, directly comply with your request for a transcript of Mrs Roosevelt's remarks on the Roosevelt Memorial program heard via these facilities on April 12, 1947.

We are, therefore, referring your communication ~~to Mrs Roosevelt~~ in the hope that she may find it possible to let you have a reprint. Meanwhile, we are also sending a copy of your letter together with a carbon copy of this reply to Miss Merrill Grodnick of our Radio Recording Division who will advise you as to the availability of the recording.

Sincerely yours

Gentlemen:

While I was out of town Saturday, April 12, 1947, I am informed that WLOK broadcast your Memorial Service for FDR and that Mrs. Roosevelt spoke.

It is said that she referred to a letter I had written to her. I would like to have a transcript of what she said, and Mr. Elvin, the manager of WLOK, says you will likely let me have a recording of it. I will return it and will greatly appreciate having it.

Very truly yours,

Elmer McClain
