MEMORANDUM:

With reference to the attached Executive order of November 6, 1933, regarding the code of fair competition for the cotton textile industry, I telephoned to Mr. Knapp of the Legal Division of the NRA on this date and called his attention to the fact that the Executive order in question did not have a heading. Mr. Knapp said that this Executive order did not need a heading and that a heading had therefore been purposely omitted.

I accordingly instructed Mr. Brauner to have the order printed in the form in which it was received and signed by President Roosevelt and General Johnson.
