Dear Mrs P.

If any one is serious about helping no trans abuses in the Hosp. they will have to clean out a lot of Jew doctors. I have been a prisoner (they call them patients) of both Drs Holden + Baro (young Jew Drs + one a refugee from Italy) + when a Jew like these two (not all Jews as Dr Funk was decent so they got rid of him) gets a Christian for a prisoner the chosen people are as brutal as the sons of Heaven.
