Princess Martha
Norway

Dear Mrs Eleanor Roosevelt,

With my best thanks for your great hospitality and kindness towards me during my stay in America I send you my best wishes for a happy Christmas and a good New year. My thoughts very often go back to these years, where the great events for me were the frequent visits at Hyde Park and charming parties in The White House never to-be-forgotten.

I send you my heartfelt thanks for these happy remembrances and for your great amiability.

Very sincerely yours,

[illegible] Jarlsberg.
