Dear Grace:

Mrs. Roosevelt made an agreement with the President about maintaining the road at Val-Kill.

This check for $120.00 is the first installment on what Mrs. Roosevelt agreed to pay toward a road fund. At the moment the MPs keep the road in repair so this is for the future. Another check will be forthcoming in April.

Dear Eleanor,

I have just got around to doing my accounts for Hyde Park - and I am sending you a check for $120.00 which I did not need to use for 1944.

We were very happy to hear from Mrs. Alt today that she will come to us on the 30th. So that is a great relief!

If there is anything we can do to help you until you get a man do let me know - I'll be full of energy when I get home. It will take a lot of work to keep me busy.

Bless you.
Affectionately
Nancy.
