My Dear Mrs Roosevelt. april 7 1946

I am sending a Memorial Letter written in jewish for our great leader, Franklin Delano Roosevelt. This is my way of expressing how I feel about his passing away. We lost a great friend. Our loss is a very great one. I know if the President would be alive we would have Palestine. In time of the election on Nov. 7th, I was fasting and went to my Rabbi to say a prayer. Fate was very cruel to us. When Robert E. Hannegan was Chairman at the Biltmore Hotel I was in close touch with him - writing letters, showing at the Biltmore a copy of the letter I recived from the late Mr. Wendell L. Willkie. I am a mother of eight children and have a sick child, but I had to give my sympathy for this untimely passing of our Immortal leader, Franklin Delano Roosevelt. Berger, B.

God Bless you Mrs Roosevelt and your family. Please answer. Thank you. I would be the happiest person if I were able to speak to you in person. I have somuch to tell you. I am no celebrity, only a mother. Napoleon The Great once said, "The mothers deserve a medal, not the Generals."

Forget-Me-Not Girl Scout Troop XL

Annual Report
Henryetta, Okla.

Our Name

From all the names of birds and flowers
We chose "Forget-Me-Not" for ours.
They look so sweet, yet grand and shy
Always remembered, when passing by—

They wear a dress of heaven's blue
The color of friendship and loyalty, too.
And just to be quite brave and bold
They wear a crown of yellow gold.

The stems and leaves, just barely seen
Are such a lovely silver green.
Yes, green and gold and heaven's blue
Are mixed so perfect and so true

A girl scout troop has lots of fun.
The grandest friendships are begun.
We hope just like a Forget-Me-Not
We are remembered quite a lot.

Dear Mrs. Roosevelt:-

One of our current projects in Girl Scouting is a study of famous people and their contributions to American life. I have always loved and admired you and would feel honored to have a picture of you as my world-reknown person in "Our Parade of Famous Personalities".

We are an active girl scout troop, three years old with nearly all charter members. Perhaps you could find a minute to look at our Annual report. We are proud of our war record, but, remember, our home town is small, so the amounts mentioned are not as

ridiculous as they first seem to some one who is used to big cities.

We have a fine leader, who works so hard for and with us, but we also have much fun together.

We like the out-of-doors best and go hiking often. Just now we are studying stars, making Friendship Bags for a troop in Rotterdam, Holland, and working hard earning our "World Knowledge" badge.

Please, excuse my long letter — I know you are busy doing important things.

Sincerely yours,
Helene Berger

Our Pet Show

In a little park across the way
We had a "pet show" there one day
There were some odd ones among the pets
but most of them were dogs and cats

There was a gray cat in a blue coat
a tiny cat in one hand you could hold;
a long haired cat with a ribbon so red
a sleepy cat that scratched so bad.

Another cat was snowy white
A pet chicken, another girl's pride.
One had a dog that did a trick –
A pinto dog our hands would lick.

The peppiest dog was black and white,
A big one barked with all his might.
A smaller one was mostly black,
wearing a blanket on his back

The Forget-Me-Not troop put on this show
They sang and played games, but we must go
So long, girl scouts, we have to run
We'll meet again soon and have more fu
