I am delighted to know that your parents are on the way over here. I shall hope to see them.

As soon as we hear from the St Rifle we will let you know the exact of cable. -

Dear Mrs Roosevelt

This is the letter I've been expecting to write you ever since August when our parents began their overextended stay in the d.p. camps waiting for passage —

They are on the boat!

So they will arrive home just before Christmas after all!

I want to thank you from all of us for your

prompt and gracious
help last week when
I was sorry to miss a
glimpse of you.
We wish the same
success to all your
endeavors at Lake
Success!
Merry Christmas!
and a Good New Year!

Please remind Miss
Thompson, with my thanks,
that I'm awaiting her
bill for wire and cable.
Yours grateful
Joy Hinsch Buba
