December 30. 1946

My dear Mrs Roosevelt.

In behalf of Mrs Joan Pennyson de Brouillette of 459 Hillside Lane Santa Monica California I am expressing the most profound gratitude for your help at her request in 1940.-

She repetedly asked me to appeal to you to complete your charitable work.-

This loyal life companion came to spend every vacation since our separation by the war.-

In spite of my age she considers herself my fiancée and I consider it my duty not to disappoint her, as she so much sacrificed for me, I want to end my days with her in the United States.

With best and most respectful wishes for a happy new year

I am dear Madame,

Yours

Mrs. Eleanor Roosevelt.

Dear madam.

I want you to forgive me for what I'm going to ask of you — if for some reason you can't do anything its perfectly alright. I have been told that you can help me in such cases.

What I want to ask of you is to help me find the where-abouts of my husband.

Since 1922 that we used to live in Louisiana I haven't been to Texas — He used to come and see me the last time he was here was in 1927.

I don't care to have him or anything the only thing I

pretend is to know whether he lives or not. I have a daughter which he doesn't know ... She's 24 years old right now.

My husband's name is Pedro R. Reyes - He's tall, light complexion and thin or rather slender - He's seventy years old now -

His last letter I got from him was in 1942 from Houston, Texas. When I answered his letter I send him my passport and that was the last of him -

Anything you can do for me will be highly appreciated -

Thanking you in advance I remain

Very Truly Yours,
Josefa Gonzalez de Reyes
