Dear Madame,
Dear Mrs Roosevelt

Enclosed you will find an announcement regarding my baby. As you will see I am calling him Franklin in honor of your beloved. Late husband whom I loved dearly. I loved everything he stood for and shall always cherish his memory. His death shocked me deeply and I still can not get over it. He was my best friend. For myself

and my family he was the greatest American that ever lived. I am very, very happy to have had the grace to live in his time. My family feel just as I do and we all hope respectfully that my little darling will have some of the intelligence the great Franklin Delano Roosevelt possessed.

Very respectfully yours
Mrs. Ben Grosbayne
