Here in Holland we are very glad
to be in a free land again. American helped us.
Therefore we were all glad to see Americans.
The sixteenth of March, I got a baby,
who I called Eleanor like you.
There was an American some time ago and
he said: "What's the baby's name?"
I said: "Well, Eleanor like Mrs. Roosevelt."
He said: "You must tell it her that
she will find it pretty."
Therefore I'll tell it too you.
We, here in Holland, we must complain
that we are very thankful.
Now I finish with greetings
from Holland.

Also here in Holland is an Eleanore too.
She is half an year old now.
