My Dear Mrs. E. Roosevelt
I would like very much for you to have the picture enclosed of my little boy whom we had baptized and named. Franklin Delano Roosevelt on the very day our beloved president passed away.

Way up in Macedonia Greece. Where I and my family lived The sponsor was Col. L. B. Von Spach from Wauwatosa Wisconsin. With whom I worked as an interpreter for U.N.R.R.A. I am an American citizen of greek extraction and a veteran of the first world war. Now Im back to the United states in Milwaukee Wisconsin but my only regret is that I havent been able to find living quarters for my self and my family. And we are forced to live in a Church's basement. Loving this country as we do.

we are willing to bear lettle more punishment as this which is nothing campare to the life. we led in Greece under the nazi rule.

Again I ask you to accept the picture of the boy whom we named in memory of our dearest President.

We remain respectfully yours
