My dear Mrs. Roosevelt:

I want to tell you in my humble way how very much I admire your many fine deeds, your ceaseless efforts toward the betterment of humanity. I admire your intellect and I'm proud that you are one of the delegates to the United Nations Assembly. I have faith in you.

I miss the late President Roosevelt. I miss his fine leadership, his kindness, his strength inspiring words, his great understanding of humanity and the working class but above all, the peace and calm he instilled in my heart.

God bless you, Mrs. Roosevelt and all your family.

Sincerely yours,
