Dear Miss Clarkson,

Before Mr. Warren went abroad, he informed that he thought Mr. Haimoff would be able to come in under the Bulgarian quota in 3 or 4 months.

But Mr. Coulter's guess on Friday was 6 to 8 months.

Would you mind asking Mr. Warren on the 'phone what his present guess is since his recent visit to Europe.

I shall be most grateful for your advices.

With kind regards,

Very sincerely
Lawrence Berenson
