AIRGRAM FROM WAR REFUGEE BOARD TO MINISTER JOHNSON VON OLSEN, STOCKHOLM, SWEDEN

Please refer to Department's airgrams 677 of September 11 (WRB 82) and 692 of September 21, 1944; and Department's telegram 1801 of July 28, WRB's 58.

The following is an additional partial list of persons for whom the State Department has confirmed that the issuance of immigration visas was authorized on or after July 1, 1941. The cities given indicate the consulates authorized to issue the visas. With respect to those persons whose last known addresses are France, it is believed that many may have been deported eastward by the Germans. Further lists will be furnished from time to time as soon as the records of the State Department can be checked.
