THE WHITE HOUSE,

October, 1936.
November 21, 1936.

Dear Mr. Brauner:

Only recently did I learn of the existence of this Executive Order, which Mr. Moore has had in his possession.

I am sending it to you for filing in the National Archives. The decision as to its publication in the Federal Register rests with you, of course.

For consideration in this connection it may interest you to know that by another instrument of the same date Mr. Moore is authorized to perform the duties of Secretary of State during the present absence of the Secretary (only). In the opinion of Mr. Hackworth, Legal Adviser of the Department, this latter instrument, which is quoted below, delimits the authority of the annexed Executive Order.

"THE WHITE HOUSE,

Washington, November 6, 1936.

In conformity with the provisions of Section 177 and 179 of the Revised Statutes, and of the Act of Congress approved February 6, 1891, R. Walton Moore, an Assistant Secretary of State, is hereby authorized and directed to perform the duties of Secretary of State during the absence of the Secretary of State while attending the Inter-American Conference for the Maintenance of Peace to be held at Buenos Aires, beginning December 1, 1936.

FRANKLIN D. ROOSEVELT"
Nov 23/1936

Mr. Satchwell states that the
"letter of complaint" mentioned
in the annexed letter dated
Nov 21 is a commission.

He was informed
meaning to write-to,
that demand be formed
in the name of same
in accordance witti necessary
publication in Register.

The difference between the 2
tests of the Commission as quoted
in Letter were called to attention
by Mr. Fother. So the decision
had not for decision given on the
11th nor action was taken. Mr.
Fother expressed the view that
such action, should be taken.
Grave or not, that it may be read and may be read though not to
graceful publication.

AMENDING THE INSTRUCTIONS TO DIPLOMATIC OFFICERS AND
THE CONSULAR REGULATIONS

By virtue of the authority vested in me by Section 1752 of the Revised Statutes (U.S.C., Title 22, section 122)
I hereby prescribe Section XVI-21 of the Instructions to Diplomatic Officers and Section 459 of the Consular Regulations
of the United States to read as follows:

"Before contracting marriage with a person of foreign nationality each Foreign Service officer shall request and obtain permission so to do from the Secretary of State under such instructions as may be issued by him, and any officer who shall contract marriage with an alien without obtaining in advance the authorization of the Secretary of State shall be deemed guilty of insubordination and shall be separated from the Service. Each request for permission to marry an alien shall be accompanied by the officer's resignation from the Foreign Service for such action as may be deemed appropriate.

"No person married to an alien shall be designated to take the entrance examinations for the Foreign Service.

"This regulation is based upon the principle that officers of the Foreign Service are expected to be available in the discretion of the President for duty in any country or in any part of the world, and that anything which detracts from the availability of individual officers has an adverse effect upon their usefulness and upon the efficiency of the Service."

AUTHORIZING THE ALASKA RAILROAD TO ENGAGE IN
OCEAN-GOING AND COASTWISE TRANSPORTATION

By virtue of and pursuant to the authority vested in me as President of the United States, and by section 1 of the act entitled "An Act To authorize the President of the United States to locate, construct, and operate railroads in the Territory of Alaska, and for other purposes", approved March 12, 1914 (38 Stat. 305), and by the act entitled "An Act Making appropriations for the Department of the Interior for the fiscal year ending June 30, 1937, and for other purposes", approved June 22, 1936 (Public No. 741, 74th Congress), authorizing the Alaska Railroad to operate and maintain "ocean-going or coastwise vessels: by ownership, charter, or arrangement with other branches of the Government service, for the purpose of providing additional facilities for the transportation of freight, passengers, or mail, when deemed necessary, for the benefit and development of industries and travel affecting territory tributary to the Alaska Railroad", and in view of the fact that the present interruption to ocean-going and coastwise transportation to and from the Territory of Alaska has seriously interfered with the operation and maintenance of the Alaska Railroad and with the development of industries and travel affecting territory tributary to the Alaska Railroad by causing a shortage of food supplies and other necessary commodities in the Territory, the Alaska Railroad is hereby authorized and directed to make use of such ocean-going or coastwise vessels as may be made available to it by agreement or arrangement.
with other branches of the Government service, to charter ocean-going or coastwise vessels and to perform any and all acts necessary for the operation of such chartered or Government-owned vessels for transporting passengers and freight to and from the Territory, for the purpose of providing necessary transportation facilities during the present interruption of shipping.

The Alaska Railroad shall continue to engage in coastwise and ocean-going transportation as herein authorized for such period as the Secretary of the Interior may deem necessary.

It is further directed that present commercial passenger and freight charges shall be maintained by the Alaska Railroad in connection with its operation of this additional service.
