Peroration

The first is freedom of speech and expression everywhere in the world.

The second is ~~the~~ freedom of every person to worship God in his own way everywhere in the world

The third is freedom from want — which translated into international terms means economic understandings which will secure to every nation everywhere a healthy peace time life for its inhabitants.

The fourth is freedom from fear — which translated into international terms means a world-wide reduction of armaments to such a point and ~~by~~ in such a thorough fashion that no nation anywhere will be in a position to commit an act of physical aggression against any neighbor.
