Hon. Eleanor Roosevelt
The White House
Washington, D. C.

Dear Mrs. Roosevelt:

The Affiliated Young Democrats of New York will issue their official publication "The Young Democrat", quarterly, the latter part of this month in order to keep their members at home and in the Armed Forces acquainted with the splendid work of the Administration.

I would deeply appreciate if you would write an article for said publication on "The Future of the Youth of Our Country" or any topic you desire and send me said data with a negative of yourself, in order that I may enclose your picture with this article in our publication, at your earliest convenience.

Kindest regards.

Sincerely,

Harold
