Dear Molly:

It has taken me some time to get around to answering the letters which have meant a great deal to me. We have thousands and I can not answer them all, but I do want to tell you how much I appreciated your note.

You always gave Franklin so much joy - he admired the direct way in which you approached things and he counted on your friendship and loyalty.

You and I have been friends for many years and it always warms my heart to think of you. I do hope we will meet soon.

The world has more understanding and purpose, as you say, and I hope the Good Lord will give us all wisdom enough to carry out Franklin's objectives.

Much love,

*Thaina*
