THE WHITE HOUSE  
WASHINGTON  

April 26, 1945.  

Dear Mrs. Roosevelt:  

For years there have been two 
I have thought of as my most wonderful women—my Mother and You. This is, I know, a poor way of expressing it. But it is difficult to put into written or spoken words the feelings that have been so long locked deep in the heart. You and the President made me feel almost as one of the family. And that is the way it always will be with me. Please think of and treat me that way.  

If I can ever be of service, if you ever want or need me, do let me know, it will be a pleasure, an honor and a privilege.  

Very sincerely yours,
