VON SIEGEL

Dear Mr von Siegl

Mr Valentin spoke to  
me about your globe  
which can be so  
cheaply made. He  
suggested it might  
be of value to speak  
about it to UNESCO.

If you think that  
would be helpful could  
you send me a  
complete description  
or send me a sample  
so I could send it  
to UNESCO

Tell him I'm sorry I spoke to you  
about this - I might send him letter  
to answer?

Write to him  
I will be glad to  
hear from him
