Ans.

Dear Mrs. Roosevelt:

I have received your letter regarding Mr. R. J. Sheridan of Westfield, New Jersey, and note all the things you say regarding your former neighbor at Hyde Park.

I will be very pleased to see Mr. Sheridan and I would suggest that he telephone Miss Protzman in my office to arrange for an appointment that will be mutually convenient.

I want to tell you again how much pleasure your presence at the luncheon on Sunday brought to Mrs. Watson and myself and all of our guests. It always means a great deal to us to have you with us.

With kindest personal regards, I am

Sincerely yours,

Thos. J. Watson
