Mrs. Roosevelt

Dear Madam

I am so glad you are speaking
at Temple Beth El Saturday I will
certainly be there. you are to me
like your late Dear Husband. America
certainly lost a real leader when
he died. No one Old Boy to his
name Mr. Roosevelt - was a
gentleman a great Diplomat
a Statesman, He could wise
& entertain any of them none of
those European Big Shots had
nothing on him. I also observe
you have acquired and developed
a most lovely shaped mouth &
with that hair of yours parted
as it is, make's you look perfect
I am sure with a mouth so perfect
you could speak Bostonian perfectly
so on to Boston for you
& show them how to speak Bostonian
Sincerely yours
an Admirer of any Roosevelt.
