Dear Madam,

On behalf of FIRE and myself, I am asking you if you will kindly accept the three enclosed copies of the current edition in which, in page 187, you will find our humble, but sincere, tribute to one who proved himself so great a friend to this country in its darkest hours.

At the same time, Madam, we express to you our earnest wishes that you, and yours, may enjoy to the full good health, and that you, and they, will be blessed with the strength to carry on the great work of your late revered husband.

Sincerely yours,

William W. Seabrook

Editor, FIRE.
