

Don - 20

San Jose, Calif.
3/13/47

My dear Mrs Roosevelt,

The enclosed, was in a local paper, when
our dear President was taken - and I
think maybe you would like to have it
to add to the many nice things said
of him. Sincerely,

Maudie Donovan

San Jose -

When Mrs. Dorothy King of Curtis
Indiana, was in S. E. over the
road and a neatly-dressed mid-
dle-aged woman got down
in front of the roller car. Her
valise companion opened the
carriage which drifted around
of the late President Roosevelt.
The woman said the woman, "I
believe in the God Lord
himself and I believe in Himself;
I believe in the same name!"
