Mrs. Franklin D. Roosevelt.
In the name of "God",
may his memory live forever
"God" Rest His Soul in Peace.

We severed under the flag,
during all the struggle. Our
Father Franklin D. Roosevelt
is gone, but his beautiful
memory lives on, with us
admirers, & we must
remember we fought while he
was alive, but now he is
not dead & his work was
not in vain. We all stand
united as one during ^{the} war

+ now in peace, we will
not give up + we all want
our rights to stay here +
work + live with our American
women. Expecting a baby
soon + many of us have
large families;

So please
help us out, in his memory.

"God" be with you

Always
