Dear Mrs. Roosevelt:

I am enclosing a copy of the Minnesota Leader, an official paper of the Democratic-Farmer-Labor Association.

I am certain that you will be interested in reading the article entitled OUR CAPTAIN - LIVES dedicated to your husband and written by Mrs. Irene Paull, a great person, and an ardent admirer of your husband.

For your information, the Duluth Democratic-Farmer-Labor Club sponsored a Roosevelt Memorial Meeting, April 12th. The speaker was former-Congressman John M. Coffee of Washington.

Very sincerely,

Anne Gerlovich
