Mrs. Franklin D. Roosevelt

Dear Mrs. Roosevelt:

Our Office in Sao Paulo, Brazil, has requested that we forward to you the attached letter from Sr. Adolfo Lemes Gilioli, director of O Politecnico, and the enclosures thereto.

In making this request, our office in Sao Paulo advises that a visit was received from this gentleman, who hoped that you would be in a position to accede to this request for a photograph with appropriate dedication.

"O Politecnico" is the official publication of the students of the Polytechnic School of the University of Sao Paulo. This school is outstanding in its field in Latin America, and we are confident that in fulfilling the request of its director, you would be performing a service to inter-American relations.

Sincerely,

Charles D. Marshall

Dear Mrs Roosevelt:

It has been in my mind to write you a few lines, and tell you how much you and Mr Roosevelt have meant to my mother, my sister, our Aunt and myself.

We are happy to hear that you have ~~been~~ appointed as a delegate to the United Nations Assembly when it has its first meeting and feel that the little people of this country and of the

world will be well represented.

We read your column in our paper and enjoy it very much. We were happy to know that Iala has recovered and now has a companion.

Every day is Memorial Day to us for Mr Roosevelt and although my mother is 75, she hopes to be able to visit Hyde Park some time. We hope that it will be chosen as a permanent home for the U. N. O.

Our prayers and best wishes for a Happy New Year for you.
