Houghteling

March 17, 1947

Dear Mrs. Houghteling:

Mrs. Roosevelt is still away on her lecture trip. but she asked me to write to say she now finds she will not have the time to go to Washington and then to Chatham.

Mrs. Roosevelt is sorry she will have to take the train to Chatham and back. Since the distance from Chatham to Hampton is about 200 miles that too is being cancelled for lack of time.

I know Mrs. Roosevelt is disappointed she will not see you on the 26th.

Very sincerely,

Acting Secretary

Dear Laura:

I would love to drive down to Chatham with you, and go on to Hampton the next day. I imagine we can spend the night in Chatham.

Would you care to go to Hampton with me the next day. I think we could get back to Washington that night or the next afternoon.

Affectionately,

WASHINGTON

on the next afternoon.
We had to hurry for the night on
the next day. I wish we could
bring you over to the Hamilton Hotel

in Chatham.
I imagine we can about the night
and you can go on to Hamilton the next
day and you can drive down to Chatham

Dear Mother:

Very truly,
Yours

Dear Eleanor, -

I am awfully sorry that there is no chance of your being able to come in to that on the afternoon of March 31st. I am sure that your schedule is terribly heavy. We will hope to see you sometime during your two brief stays here.

About the Clathram train, - I am enclosing a little schedule. Clathram is about 15 miles north of Denoth, Virginia - & if any train can

be concerned & I would love to go down sometime before Commencement, and Louise is especially urging us to come then. We used to drive down often when Peggy was there in about 6 hours or a little less. It is just about 240 miles - Charlottesville is just half way.

Speaking on when the School event takes place, we could start fairly early in the morning & easily get there by mid-afternoon. It would be terribly nice for us.

Charlie Naef of the International Students Week-
end at Bard College called to ask if it might
be possible for Mrs. Roosevelt to attend the
program to be held this Wednesday. Details are
in attached letter. A number of rather prominent
educators and participants in the fight for
academic freedom will be present. The committee
will be deeply appreciative if Mrs. Roosevelt
might be inclined to urge Dr. MacCracken and
President Courtney Carroll of Bennett Jr. College.
to attend.
