Dear Mrs. Roosevelt, ~~your~~ ~~venture~~
After spending a week on Long
Island I found your kind letter
of April 15 here at the Hotel.

I like you to know how much
I appreciate your good words. Even
if you are no longer in Washington
I am certain that any recommend-
ation from you is always some-
thing to treasure, and I promise
you to live up to it.

I have been trying to find a
position as housemother or house-
keeper at some private school and
since I am told that this is the

time to make arrangements for
the next fall term I am going
ahead now with this new venture.

Thank you again and with my
best wishes for a very pleasant
summer, I remain

Always gratefully yours,

Dorothy Junge.

To whom it may concern:

I have known Miss Dorothy Junge for about 15 years and I know her to be a capable and dependable person.

I am very glad to give my recommendation as I feel sure she would always be a loyal and valuable person in any position for which she felt herself qualified.

Dear Mrs. Roosevelt,

When you wrote to me the last time some years ago, you said you would be willing to recommend me if I should need a letter of introduction for a new position.

For the past few years I have been working for a cosmetic firm, but now I find a change desirable. Therefore I would appreciate it very much if you would send me a few lines or permit me to see you a few minutes to tell you of my plans.

With kind regards to you and Miss Thompson

Always gratefully yours,
Dorothy Junge.
