My dear Mr. Mills:

I have received your letter of March 13th and I do not think the Emergency Peace Council was communistic, at least not in its leadership.

I ceased to be a member so long ago I have no idea what has happened to the organization.

Very sincerely yours,

Mills, N.

Dear Mrs. Roosevelt,

Several years ago there was quite an active movement led by the Emergency Peace Council and I was much interested in it. Presently the war came on and I heard no more of that organization and its work. Knowing that you were connected with it I ~~am~~ writing to you to learn what happened to the organization and the movement.

I heard a statement last evening that the Emergency Peace Council was promoted by communists. That is very hard for me to believe for I know that you and Admiral Byrd were sponsoring it and I'm sure that neither of you would permit your name to be used in any communist organization or movement. Would you please tell me the facts?

Thanking you sincerely for your favor, I am

Earnestly yours,

Neal D. Mills
