Mrs. Eleanor Roosevelt

Dear Mrs. Roosevelt:

In 1941 I sent President Roosevelt a true copy of the "Great Key" book. I also sent you a copy of the same book on July 10th 1946, which fully explained the atomic bomb and derivatives. This "Great Key" book is a revised addition of the "Cross Versus Crescent" book of 1923 sent you in 1932, wherein it proved the world war of 1914-1918 was the beginning of a series of world wars as the Bible makes plain; would be to end of Autocracy on earth. From the base of my books, you based the making of the screen picture; "The Beginning or the End".

In June 1946 you announced on the Grand Theatre screen at Steubenville, Ohio: "The Beginning or the End" written by Joseph D. Owen Author of the "Great Key" book. In July 1946 I wrote a letter to you and requested an agreement with you: wherein I stated: that if you would agree to announce my name as you did at first, and after the picture had paid you back in full for the making of the "Picture": then, thereafter, to pay me one tenth of the net profits I would assign you and your sons full exclusive rights of the picture of the "Great Key" book.

Instead of answering my letter, you later announced the "Picture" and stated the "Author Unknown" on same screen; Then in latter part of February 1947 you again announced in the same "Grand" Theatre in Steubenville, Ohio, as follows: "Coming Soon: The Beginning or the End" and on a poster advertised the original story by Robert Considine". A fictitious name instead of the true Author, "Joseph D. Owen" as you announced in June in same

theatre in Steubenville, Ohio, in June 1946.

I have spent over three thousand dollars and better than twenty years in research and expense, in writing these books.

I consider the screen and my version of these series of world wars and their outcome in conjunction with the atomic bomb and its derivatives, very valuable. I am certain it will be of interest to you, or your sons to come and see me relative to the matter.

The "Great Key" book is a revision of the "Root" book of 1918: "The Cross Versus Crescent" book of 1925, which I sent to you in 1933, as well as the "Great Key" book sent to President Roosevelt on March 18, 1941, of which I am certain and can prove: that the screen "Picture" now in the making by you and your sons: known as the "Beginning or the End" is based on version of my "Great Key" book which covers the whole story of the Atomic bomb and its derivatives as proven by the destruction of the two Japanese cities, as well as the coral sea experiment. It also points out one derivative, alone, now held by our United States Government, which is so terrible: That with one pound of it will kill every living thing from the Panama Canal to the Artic Circle.

Very truly yours,

October 11, 1946

My dear Mr. Owen:

I am not producing any  
movie and I am not interested in any  
group that is producing one.

Please do not send any-  
thing that you value and want returned.  
The amount of correspondence I receive  
is so great that there is always the  
danger of things being mislaid.

I am returning the  
material which you sent.

Very sincerely yours,

Owen

Dear Mrs. Roosevelt:

I am happy to say that Mrs. Nemine Joseph as you suggested is now active in trying to get a publisher to publish the "Great Key" book.

I expect to spend a lot of money in advertising and devoting the balance of my life in the sale of the "Great Key" book which will help you greatly in your screen "Picture".

Enclosed copy taken from the book you will please note on page two my mention of the "Beginning or the End" screen picture you are making.

There are at least ten percent of the "Great Key" book devoted to the cause of the Jewish World to again set up a Jewish Nation over the land of Caanan, when understood by the Jewish World will cause the sale of hundreds of thousands of "Great Key" books to the Jews.

Very Truly  
Joseph D Owen

Mrs. Eleanor Roosevelt  
New York, N. Y.

Dear Mrs. Roosevelt:

It is now over a month since I wrote you relative to the "Beginning or the End" picture you and your sons are making, based on my "Great Key" book as announced in the Grand Theatre at Steubenville, Ohio, in June 1946, but have had no reply.

The "Great Key" book is a revised addition of the "Root" book of 1917; wherein I told to the month and place wherein and when the No. 1 World War would end near Essen. In the "Cross" book of 1923 I again made plain: That No. 2 World War would begin in about twenty two years from the close of Number 1 World War and it came as I predicted.

These first two additions proved to be very attractive sellers; so much so; that, when the books were put on the market, buyers offered as high as \$5.00 for copies after the first addition was exhausted.

When I published these books, I could not determine the end of these series of world wars: but now since the "Atomic" bomb is a reality: The arbitrary stand Russia and her dominancy of over half of Europe today, makes the "end" as well as the "beginning" of the series of world wars plain as well as the line of seven "Kaisers" (Rev. 13-18-also Rev. 16-13-17:11) with No. 1 Kaiser, Hitler No. 3 and Stalin Number four beast 666: with three more "Kaisers beasts" (666) yet to come before the end of Autocracy on earth. Done so by the power of God in the immortal form of the resurrected "Witness" (Rev. 11). The King of kings and Lord of lords (Rev. 19) in Christ's "Appearing and Kingdom" at Mount Zion, Asia, who will "take over" in his "Iron Rod" rule of Justice and Righteousness by and thru his 288,000 Immortal "Elect" Kings, Judges, and Ecclesiastics ruling over all nations and peoples of earth, which will then end war on earth for a thousand years: The only hope of World Peace as made plain in the "Great Key" book.

If I were to dictate the screening of the "Beginning or the End" picture: First: I would announce the "Picture" the "Beginning and the End". Second: I would make the line of the seven "Kaisers" (Rev. 17:13) a special feature; with Stalin (his picture shown) No. 4 beast 666 as seen by my daughter in 1923. Third: I would show Satan in the form of a man. (Now Stalin). Fourth: I would specialize the death and resurrection of the "Witness" as seen over the cemetery in the west end of Cameron, West Virginia, by the Milliken family at 2:00 P.M. August 3rd, 1918 the day and hour the "Root" book was placed in a book store in Cleveland, Ohio; wherein the "Root" book proved that the German Kaiser of 1871-1918 was the first Beast 666: (Rev. 13:18) with seven "Kaisers" to come in Christ's Second Coming with William the Second was coronated the first German "Kaiser" with seven all told before the end of Autocracy on earth in the time of the seventh "Kaiser" in Christ's "Appearing and Kingdom" on or near A.D. 2004 (Rev. 17:11). Fifth: I would show the 24 Elders (Rev. 19-4) which today is made plain; are 24 U.N.O. Representatives of 24 nations that will be during Christ's reign on earth. Sixth: I would also represent the "Witness" figuratively "Appearing in a cloud" (aeroplane as I saw him in a vision in Lakewood, Ohio, as explained in the "Great Key" book (Rev. 1:17). Also the Angels (men) with the plagues: The Atomic bombs rocket planes and other deadly things they will use to overcome the Devil and his hosts as we did in 1918 and 1945.

My sole object in writing this letter is to try to help you put it in a picture as I believe it should be in order to be easily understood by the people and advertise my "Great Key" book. I sent the "Great Key" book to Miss Joseph 200 W. 54, New York and I believe she will get a publisher to publish the book. In the book, I advocate the reader to see the "Beginning or the End" picture which I am certain will cause thousands to see the picture when on the screen.

These three books have cost me over \$2500.00 today as well as twenty five years of study of the Bible and secular history to make possible to write the book.

The main object in insisting on you giving me credit as Author of the "Great Key" book in all screen pictures shown is the advertisement to boost the sale of the book.

I realize the heavy expense of making a screen picture and for that reason, I do not expect one dollar out of the picture until you get back the cost of making the picture. Then a reasonable Biblical percent of net profits (Mal. 3:10).

I feel certain it will pay you to come and see me with a view of an agreement as this letter makes plain as formerly requested.

Trusting to personally meet you and your sons.

I am

Very truly,

Joseph D. Owen

P.S. There are certain things I cannot write to you in this letter which I believe, is vitally essential to the success of your "Picture" in the making.

Mrs. Franklin D. Roosevelt  
Hyde Park, New York

Dear Mrs. Roosevelt:

In June this year you stated on the Grand Theatre at Steubenville, Ohio, the following:

"Coming Soon": The "Beginning of the End" written by Joseph D. Owen, Author of the "Great Key" book.

On 1944, I sent your husband one of the original copies of the "Great Key" on which no doubt you used the copy as a basis of the screen picture now in the making: with Godfrey Tearle the leading actor.

On July this year I sent you by parcel post one of the three copies of the "Great Key" book wherein I made plain: That in the third and final war of Nations the "Atomic Bomb" and its derivatives would be used by the King of kings and Lord of lords as one of the factors in forcing "Peace on Earth".

In sending you the latest version of the "Great Key" book I thought I was doing you a favor so that you could make plain "the end" as Stalin proves. I further stated to you that if you could use your "great influence" to get some publisher to publish the "Great Key" book I will pay you well for your trouble.

As you know; that when your screen "picture" is shown as announced as you did in June 1945 as formerly stated will create sales of the "Great Key" by the millions and for that reason I sent you the latest copy of the "Great Key" book in July.

Instead of you continuing to advertise "The Beginning of the End" written by Joseph D. Owen, Author of the "Great Key" book,

you immediately changed it to "The Beginning or the End" based on the "Atomic Bomb" instead of my "Great Key" book.

I wish to make plain to you: that everything written in the "Great Key" book as well as all prospectus to the "Great Key" book is properly copyrighted in Washington, D.C.

I realize the making of the "Beginning or the End" will cost a lot of money to put it on the screen.

When the "Picture" is put on the screen as well as in the advance notices of its "Coming". I shall expect you to continue to state as you did in June: namely: "The Beginning or the End" written by Joseph D. Owen, Brilliant, Ohio, Author of the "Great Key" book.

If done so as made plain in this letter, I am certain you can make millions of dollars out of the screen "Picture" as well as thousands of dollars in helping me to advertise the book on the screen as well as part of the royalty arising from the sale of the book.

I am also certain it will pay you to have a conference with me at an early date and no doubt we can come to an amicable working basis; both as to the "Picture" as well as putting the "Great Key" book on the market.

There is due me the courtesy and rights from a screen picture based on my "Great Key" book and the sensible thing will be: I, the Author and you the producer to have a working agreement before the Picture "The Beginning or the End" goes on the screen or under another name:

Let me hear from you by return mail and oblige.

Very truly yours,

Author of the "Great Key" book.

My dear Mrs. Roosevelt:

Several days ago while going through some of my papers I discovered the enclosed program of a memorial service conducted for Mr. Roosevelt at the American University in Cairo, Egypt.

It occurred to me that perhaps no one had thought to send you a copy of this and that you might like to have it either for yourself or for the Roosevelt Library.

If you already have a copy, please pardon me for troubling you.

Sincerely yours,

## FORM OF SERVICE

*The Congregation seated, the following Scripture shall be read :*

God is our refuge and strength, a very present help in trouble.

Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea.

Though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof.

There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the Most High.

God is in the midst of her; she shall not be moved; God shall help her and that right early.

---

Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God.

Thou turnest man to destruction; and sayest, Return, ye children of men.

For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night.

Thou carriest them away as with a flood; they are as a sleep; in the morning they are like grass which groweth up; in the evening it is cut down and withereth.

The days of our years are three score years and ten; and if by reason of strength they be four score years; yet

is their strength labor and sorrow; for it is soon cut off, and we fly away.

So teach us to number our days, that we may apply our hearts unto wisdom.

The Lord is my shepherd: I shall not want.

He maketh me to lie down in green pastures; he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies; thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord for ever.

*The Congregation standing, the following Hymn shall be sung.*

O God, our help in ages past,  
Our hope for years to come,  
Our shelter from the stormy blast,  
And our eternal home!

Under the shadow of thy throne  
Still may we dwell secure!  
Sufficient is thine arm alone,  
And our defense is sure.

Before the hills in order stood,  
Or earth received her frame,  
From everlasting thou art God,  
To endless years the same.

A thousand ages in thy sight,  
Are like an evening gone;  
Short as the watch that ends the night,  
Before the rising sun.

Time, like an ever rolling stream,  
Bears all its sons away;  
They fly, forgotten, as a dream,  
Dies at the opening day.

O God, our help in ages past,  
Our hope for years to come;  
Be thou our guide while life shall last,  
And our eternal home!

*The Congregation seated, the following Prayers shall be offered:*

Almighty God, with whom do live the spirits of those who depart hence in the Lord, and with whom the souls of the faithful, after they are delivered from the burden of the flesh, are in joy and felicity; we give thee hearty thanks for the good examples of all those thy servants, who having finished their course in faith, do now rest from their labors. And we beseech thee, that we, with all those who are departed in the true faith of thy Holy Name, may have our perfect consummation and bliss, both in body and soul, in thy eternal and everlasting glory; through Jesus Christ our Lord.

*Amen.*

O thou that turnest the shadow of death into the morning. Thou hast conquered our last enemy, and our tongues are filled with singing. Pain has been our portion here, but we know that in all pain there lies the promise of redemption. Thou dost plan our lives to cross the valley of Humiliation, to climb the hill of Difficulty, and then at last descend where waits the shadow feared by man. But we know it is a shadow only. The grim-barred gates of death swing back, and the glory from an endless world shines through, beyond

the mind's imagining, beyond our hearts' desire. Confirm in us this Easter hope: through Jesus Christ our Lord.

*Amen.*

Almighty and Everlasting God, we remember before thee our late President, Franklin Delano Roosevelt, thanking thee for the services which thou didst enable him to render to his day and generation in the support of justice and liberty. We thank thee for his broad vision transcending national boundaries, for his unwearied services to humanity in spite of heavy physical limitations, for his unwavering loyalty to high ideals, for his courage in the midst of the darkest days and in the face of the greatest difficulties, for his willingness to lay the last measure of his physical and mental vigor upon the altar of world freedom. We thank thee for sparing his life so long that ere his strength ebbed away, he could see the dawn of the victory for which he had labored. Bring now, we pray thee, to completion the work which thou didst begin and hast carried so far forward. As this great Warrior passes to his rest, lead thou forward by thy Spirit the Nation and the Cause for which he laid down his life. Enable our new President and others with him to hold high with steady hands the torch that is being passed to them. Grant to them wisdom, courage and perseverance for the completion of the task of war and yet greater resources for the still more difficult tasks of peace; through Jesus Christ, our Lord.

*Amen.*

*The Congregation standing, the following Hymn shall be sung:*

Abide with me! Fast falls the eventide,  
The darkness deepens — Lord, with me abide!  
When other helpers fail, and comforts flee,  
Help of the helpless, oh, abide with me!

Swift to its close ebbs out life's little day;  
Earth's joys grow dim, its glories pass away;  
Change and decay in all around I see;  
O thou, who changest not, abide with me!

I need thy presence every passing hour;  
What but thy grace can foil the tempter's power?  
Who, like thyself, my guide and stay can be?  
Through cloud and sunshine, Lord, abide with me!

Hold thou thy cross before my closing eyes;  
Shine through the gloom and point me to the skies;  
Heaven's morning breaks, and earth's vain shadows flee;  
In life, in death, O Lord, abide with me!

*The Congregation seated, there shall follow the Address, and then a Prayer.*

*The Congregation standing, the following Hymn shall be sung:*

God of our fathers, whose almighty hand  
Leads forth in beauty all the starry band  
Of shining worlds in splendor through the skies,  
Our grateful songs before thy throne arise.

Thy love divine hath led us in the past,  
In this free land by thee our lot is cast;  
Be thou our ruler, guardian, guide, and stay,  
Thy word our law, thy paths our chosen way.

From war's alarms, from deadly pestilence,  
Be thy strong arm our ever sure defense;  
Thy true religion in our hearts increase,  
Thy bounteous goodness nourish us in peace.

Refresh thy people on their toilsome way,  
Lead us from night to never-ending day;  
Fill all our lives with love and grace divine,  
And glory, laud, and praise be ever thine.
