House of Representatives  
Washington, D. C.

March 11, 1947.

Dear Mrs. Roosevelt:

I have received your recent letter in behalf of Dr. Gisela Perl and you may be assured that I am doing everything I possibly can to assist her in adjusting her status in the United States.

I have introduced a private bill in the House of Representatives in her behalf, and am enclosing a copy of this bill herewith. I have also requested the Immigration and Naturalization Service to hold Dr. Gisela Perl's case in abeyance pending the action of Congress on this legislation, and you will note by the enclosed copy of a letter I have received from the Acting Commissioner that Dr. Perl's case will be held in abeyance by the Immigration and Naturalization Service until August 14, 1947. I am requesting the Chairman of the Committee on the Judiciary to schedule the bill for the relief of Dr. Perl for a hearing at the earliest possible date and she will be given an opportunity to appear before the Committee and present her case.

I shall be very glad to keep you informed regarding the developments in this case and it was a pleasure to have heard from you in regard to the same.

With very best wishes, I remain

Sincerely yours,

Referred to the Committee on the Judiciary

February 26, 1947

Dear Congressman Bloom:

This woman came to see me and showed me a book which she had written about the concentration camps.

It is a horrible story but one that ought to be read lest we forget and become soft-hearted.

Is there anything that you can do to help her to get started in her profession?

Very sincerely yours,

Dr. Gisella Perl
