IN REPLY REFER TO:

17 February, 1947

Mrs. Eleanor Roosevelt
Apartment 15A
29 Washington Square West
New York 11, N. Y.

Dear Mrs. Roosevelt:

Thank you for your kind reply to my letter inviting you to have dinner with me and my friends. It goes without saying that we should be very happy to visit you at Hyde Park.

On the other hand, we sincerely do not want you to feel obliged to entertain us. Much of our pleasure would come from assuming the burdens of hostess and allowing you to relax.

So, whenever and if ever you have a free evening, we renew our invitation to visit us in Great Neck.

If you feel that you cannot make it, and if it is not inconvenient to have us at Hyde Park, we would be more than happy to come.

Sincerely,

Mary Ellen Ronald

Dear Mrs Roosevelt:

I hope you'll not think me presumptuous in sending you the inclosed. but I happened to come across this inclosed picture today of you and your husband. which I had cut out years ago of our "Blade". - I think it was the first term of your husband's presidency. And at that time you were the first lady.

I think it is a very sweet picture. and thought you would like it. - Of course the paper looks a little yellow from age. - However I felt that you might be interested in it.

With Best Wishes. -
