Dear Mrs Roosevelt; Shuler
and Family: With the Holiday season
at hand, our thoughts turn
to "friends"

In the old country we
said, Happy Christmas, -
you can be happy, if
only, in the realization, of how
much better, is the lot, of
the poor, and underprivileged,
as a result, of the late
President's Stewardship.

With Kind Regards we
are Mary Shuler
and family.

Dear Mrs. Roosevelt

Enclosed is a poem that my husband (Ralph) wrote on the day that our president passed on. At that time we lived in the District of Columbia and he worked for the Capital Transit Co. on the 14th St. line

We lived there for 12 years and felt like most Washingtonians did, very close to our president, so Ralph tried to put on paper his feelings, which we think were the feelings of most of the people

not only ^{2.} of our country, but
of the entire world.

I read the other day
in your column of the
filming of the Roosevelt Story
and thought you might
be able to do something
about ^{this} prem concerning the
film.

So me it is something
so beautiful, that I still
cant read it, without, that
feeling of great loss, that
we all felt at that time

So many times I have
wanted to send this to
you but didnt want to
seem, too, presumptious and

It may not appeal to others as it does to us, but as I said before we think it's beautiful.

Thanking you,
in advance. Love.

Maryon J. Shute.
