N.Y.

Dear Mrs Roosevelt, Last February,
at the Waldorf I presided as the
Chairman of the Special Gifts
Annual Luncheon of the United
Jewish Appeal, Women's Division.

I had the good fortune to meet you
that day, and when I spoke about
my recent visit to Palestine you
seemed quite interested.

Please accept this book with the
hope and prayer that it will
find favor in your eyes.

Sincerely

(Mrs Janet) Ethel R. Smiloff

Thank you
A lovely thing
