Dear Mrs. Roosevelt:

My face is very red!

Photo File 1933

Perhaps you will recall that last year when you were here you requested the enclosed six reprints of picture taken at the 1933 Century of Progress. After promising to send you these I promptly mislaid the original and did not find it until just recently when Mrs. Stuart and I were packing some personal belongings following the sale of our home.

I hope you will forgive my carelessness.

With all good wishes, I am

Most sincerely,

James P. Stuart
