Dear Mrs. Roosevelt:

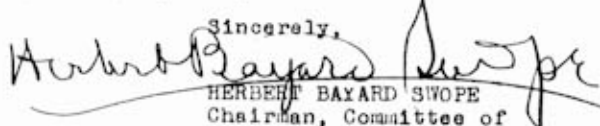

On October 8th, Youthbuilders will be the host at a dinner at the Hotel Biltmore, to emphasize the importance of citizenship training through the public schools, and to celebrate the decade of very effective service in this field which Youthbuilders has rendered to the New York City public school system. If the people of this country are to be better fitted to live with one another, it must be through teaching in schools, homes and churches. I have watched Youthbuilders closely and take pride in their efforts in this direction.

Associate Superintendent Elias Lieberman, who was appointed by the Superintendent of Schools to direct the Board of Education's Youthbuilders program, is being singled out for honor at this dinner, for the leadership he has given the program.

I am writing to ask if you will join my Committee of honorary sponsors for this occasion. There will be no funds raised at the dinner, and sponsorship involves no responsibility.

Mr. James Burke, President of the Borough of Queens, Mr. Hugo Rogers, President of the Borough of Manhattan, Dr. Harry Wright, President of City College, Dr. Paul Klapper, President of Queens College, Mrs. Arthur Hays Sulzberger, of the New York Times, Mrs. Genevieve Earle and Mr. Stanley Isaacs of the City Council, Mr. Stanley Fuld and Mr. Charles Tuttle are among those who have already agreed to serve with me. Naturally the Directors and Officers of Youthbuilders will serve also.

I hope to have the pleasure of welcoming you to this group. Looking forward to hearing from you, I am,

Sincerely,

 HERBERT BAYARD SWOPE
