Dear Mrs. Roosevelt:

On behalf of the United Nations Association of Syracuse University I should like to thank you again for the splendid cooperation in putting over one of the best programs that our organization has ever sponsored. We greatly appreciate your giving up so much time to speak to us. We know that the students benefitted immeasurably from the day's program.

In the excitement of the day's events I did not find the opportune time to question you as to your expenses. If you will kindly forward an account of your expenses I shall be very glad to see to it that they are promptly remitted.

My dear Mrs. Roosevelt:

In the name of the United Nations Forum and also for myself I want to thank you again for your excellent contribution to our program on The United Nations and the Individual. It was the success of that evening which contributed so much to the success of our Series. I received many congratulatory comments upon your speech and your handling of the questions.

Both my husband and myself look forward to meeting you again. It was a great honor and pleasure and one that we will not soon forget.

Most sincerely,

Norma Shenefield
