My dear Mrs Roosevelt,

It was a great
pleasure to sit with you in
such intimacy as was enjoyed
at the Syerlip home last week.

I write this to say that you are
a wonderful inspiration for the
joy of unselfish living.

Hold on!
When you spoke of your woods
at Hyde Park I wondered if
you would like Miss Farida
Wiley of the American Museum of

Natural History and her adult group
to walk through some day. We
will tell you what is in it.

Hilda and I had a long walk
yesterday but nothing happened.
She has brought much happiness
and great comfort to that household,
and is a fine young woman,
moulding herself after you.

Hoping our paths will cross
again.

My Dear Mrs Roosevelt,
Oh, how I wish I had known
that a radio programme was
to be given, on the 2nd Anniv-
ersary of the death of your dear
husband & every body else true
friend, for I can in my im-
agination hear his talk, over
the Radio, "His fireside Chat!"

I shall never forget, how
thousands of people felt, when
we knew our friend, had gone
to his eternal home & we all
feel had he lived, that things
would be much better than it
is now, but I'm for Pres-
Wilkes, E.

Truman, for Pres. H. D. R.
was for him, that's why, I am
for him too. It looks very much
like, we are likely to have war
3, but I do hope not.

Mrs Roosevelt, maybe you
can tell me how to proceed
with, "The Texas Textile Mills",
On Aug-21st 1926, I bought 4
shares of Common Stock, for
\$200.00 from "The C. R. Miller
Mfg Co, of Dallas, Texas
McKinney, Tex & they were
paying .12% on loans, so
I bought the 4 & I rec'd on
the inst each yr \$42.00 & in
June 1929 the Co, went into the
hands of a receiver, then they
changed their name to "The

Texas, Textile Mills, & now they offer me, The big sum of \$75.00 per share & I'm not accepting it. The main reason I bought the stock, my home burned with no ins, & as I had gone to work, Oct. 16th 1918 for Judge J. W. Champion, of this city, as Probation Officer, & the Judge went on my notes to build me a lovely 2 story home, with 2 apts, to rent & 1 extra bedroom & of course the st had to be pd, & 4 children to feed, clothe & educate without their father, I had to turn over my nice home to the Roan Co 1st of June 1931 when my baby graduated out

High school, so I lost a
lot of rent too, & had to sell
furniture to live on, but my
office was abolished in July
1933, & no one, but Officers
are looking after delinquent boys
& girls. I even taught a big
class of delinquents, at our
Church & so many made good.
& apts here are so scare, &
I have 2 room apt, partly
fur. with no built ins & have
to go to the bath, to get even
a drink of water & thats bad
for a 76 yr woman, on a
crutch isn't it?

I pay \$ 30.00 per mo & 1/2
light bills, & am on muddy st,
rag out too, & I'm getting 40.00
Pension & 2 of my children send
me checks each mo. The other 2

 2 bones in his ankle & cant
 help me any more & the other
 a daughter who has just gone
 back to work after being out
 of work for 1 1/2 yrs & she is
 a widow & her son Rudolph
 W. Helbach, was at Pearl
 Harbor when it was bombed &
 he served Uncle Sam 4 yrs &
 9 mos, is married & has 5
 mos old daughter & now
 working in the Bank in
 Los Angeles, & goes to school
 twice per-wk.

Since the Tel. strike
 I'm at a loss to know what to
 do, for I miss the phone so
 much, for I visited that way
 so much & kept up with the
 news too, but the workers ought

to get a better Salary, for-
everything is so high, yet its
not as high yet, as it was
after war 1. I raised chickens
& had my own eggs & Eggs sold
then as high as \$1.00 per doz
but feed then was cheaper than
now, so what is wrong now?
We can buy eggs for for. 40¢
per doz, but dont keep up with
prices of feed. We have ^{had} several
light rains, which was badly
needed, and I hope I havent
worried you in the least, &
I've been praying for you &
your children a long time & I
hope to hear from you again
very soon.
