*Miss Roosevelt*

JK

November 10, 1947.

Dear Mrs. Roosevelt,

I have been deeply touched by your kind interest in my health. I am much enjoying this period of rest. On December 1. I hope to be fit to take over my duties again.

Juliana thanks you very much for your kind message and send you her love. So do my grand-children !

With my best wishes, I am,

Affectionately,

*your old friend*  
*W. W. Williams*
