My dear Mrs. Roosevelt:

We are all staunch Democrats at the Witten house in the little town of Tazewell, Va. My brother, Frank Witten, with my assistance as a typist, supported Mr. Roosevelt, with all our God-given energy prior to his races for president of the greatest country in the world, four times. Without my brother's knowledge, am sending you a tribute <sup>to</sup> Mr. Roosevelt, which came from the bottom of his heart, while editing a near-by paper,

in the town of Richland.  
Requests after request have been  
made for copies of the paper. Just  
happened to have a clipping I  
am sending you.

Incidentally, our clipping a  
Passerlet song book, have his sig-  
nature a number of times, but do  
not have yours. Will you be kind  
enough to let me have this?

The editors of our local paper,  
the British Valley News, a very  
unjust criticus of you, they under-  
took to answer, and also sending you

a clipping. My brother said he was sorry he  
did not know what this so he could have picked  
it off, <sup>to</sup> ~~with~~ the owner's hands.

The notes this morning in they are looking,  
in Baltimore, Mr. Wallace for graduate. The dis-  
covery type and pray may materialize.

Thanking I have not returned on a busy  
morning's hour,

Love,

Very Sincerely your friend,

Wm. Morgan D. Miller.

in the town of Richland.

Accidentally, our clipping a Roosevelt proof took. Have this returned a number of times, but do not have yours. Will you be kind enough to let me have this?

The edition of our local paper, the Birch Valley News, a very unjust criticism of you, they undertook to answer, and also sending you

a clipping. My brother said he was sorry he did not know about this so he could have touched it off, to <sup>the</sup> ~~the~~ Queen's taste.

The news this morning is they are backing, in California, Mr. Wallace for president. The Presidently hope and prayer may materialize.

Trusting I have not impinged on a busy woman's time,

I am,

Very Sincerely your friend,  
Abigail Margaret H. Miller.

(Am fast out of the hospital—please excuse awkwardness)

Dear Mrs. Roosevelt:

It was most gracious of you to take time from your work to see us Wednesday so that we might present the album of our "Little Songs About Big Subjects."

All of us here were pleased and proud -- that you liked our democracy jingles so much. Your enthusiasm for them is an encouraging note.

You may be interested to know that we are already working on a similar set of educational jingles which will deal in the same lively way with various aspects of the United Nations. We plan to make these available to radio stations throughout the country.

Thank you for your kindness.

Very truly,
