Mrs. Eleanor Roosevelt  
Hyde Park  
New York

My dear Mrs. Roosevelt:

Every year our organization holds its Annual Spring Luncheon in behalf of the Los Angeles Sanatorium for Tuberculars.

We endeavor, through many chapters throughout the country, to equip and support this home completely with the funds we raise during the year.

Our Annual Spring Luncheon is one of the largest projects we undertake. It is through this agent, from the admission and donation we receive, that we manage to continue our work, and it is for this reason that we are asking you to be our guest of honor on May 8, 1945, in the Grand Ballroom of the Hotel Astor.

In former years we have catered to 1500 women, but with the assurance of your presence, we will undoubtedly reach a new high.

Our cause is as strong and important as any in America today, and in this home lies the hope of thousands of afflicted individuals throughout the country.

It will be an honor and a joy to these people, to know that you are not only deeply concerned for their welfare, but also, by giving us a few hours of your time, are actively interested in providing for their support.

Very truly yours,

*Betty K. Blake*
