My Dear Mrs. Roosevelt:

As Post Adjutant of Franklin
Delano Roosevelt Post 4498, Veterans
of Foreign Wars, it gives me great
pleasure to thank you on behalf of
each member of our newly formed post
for your authorization to use your
husband's name for our post.

At our last meeting on the 11th of
October, the Vote was put before our Club,
and with no debate what-so-ever the
motion was carried unanimously. As
the majority of our Club are World War
II Veterans, this demonstrates to you
the gratitude and love held in each of
our hearts for our late Commander-in-
Chief. Words can never express the
loss we felt with the news of his

death, and We, the members of this post, deeply desire that, in naming our Post after Franklin Delano Roosevelt, We may carry his name on to Future Veterans, a constant reminder of his devotion to his Country.

Our Club, now one month old, consists of Thirty-six members, and we intend to at least tripple this number before closing our Charter. Also our Women's Auxillary has an all-out membership drive on.

In closing, while again thanking you very much, I wish to extend to you a standing invitation to visit us at any time. We have a drive on for a Club-House fund, but at present, we are meeting at the Presidio Park Recreation Hall, Old-Town San Diego.

Sincerely yours,
W. A. Patterson,
Post Adjutant
