Dear Mrs. Roosevelt:

APR 11 1945

I have never written a letter to a public figure before, but after reading an article in the March and April issues of Cosmopolitan Magazine, I feel I must make a protest to some one.

Perhaps you haven't read the article. It is called "Third Rate Medicine For First Rate Men", and deals with the Veterans Hospitals and the shocking lack of care that our returned Veterans are getting.

If these things are true, can't some thing be done about it?

I have a brother in the Marines who has been over seas for two years. I can't bear to think of him or any of our boys getting such

ment.

You have boys in the service too, so I thought perhaps in the interest of all our boys, you might be able to do some thing about it.

As a housewife, I can do nothing but write this letter. I hope you can do more.

Sincerely

Mrs. Bradley Plummer
