Dear Mrs. Roosevelt;

I am a senior in high school and am writing a contract on Kipling. I would appreciate it very much if you would write me an account of what you think about Kipling and what you enjoy most of what Kipling has written. I thank you very much.

Sincerely,

Dear Mrs. Roosevelt,

Let me introduce myself.  
My name is Sarah Marie Scott,  
I go to Sacred Heart School, &  
I am in the ninth grade.

I sent you a scrapbook  
which is a pride of my heart.  
I wanted to give it to you in  
person, but mother said you  
were here on a lecture tour,  
and was very busy.

Sincerely yours,  
Sarah M. Scott
