SHANFIELD

THE WHITE HOUSE
WASHINGTON

July 7, 1945

Dear Mr. Golden:

Mrs. Roosevelt was not too busy so showed her your letter - in fact she took it off my desk and read it.

She thinks that the proposed book is not important enough for you to bother and that she thinks you can contribute to something bigger and better. However, you are free to do what you think wise. Mrs. Roosevelt has not given anyone permission to write anything, but of course, she can prevent anyone who wants to write from doing so.

It is a very long time since I have seen you and hope that that sad situation can soon be remedied.

Affectionately,

THE WHITE HOUSE

Mr. John Golden

Dear Mr. Golden:

As we all know Warm Springs Foundation was the charity nearest the heart of the late President Franklin Delano Roosevelt. Anything that will aid the progress of this Foundation I am sure would have had the hearty accord of this great humanitarian. Therefore, I am compiling a book, the proceeds of which, after publishing costs, will all go to the Warm Springs Foundation, I wish no compensation of any kind.

The book will contain humorous and human interest stories and anecdotes, obtained from the personal contacts that people, great and small, have had with him.

If you have a story or experience, resulting from your personal contacts with Mr. Roosevelt that you would like to contribute, I would be very grateful if you would send it to me.

I would like to have your favorite story, written by you in your own words, and do not wish to rewrite or change it. I would also like your written permission to use it. I would appreciate your suggestions and comments.

Yours Very Sincerely,

Denysse Audrey Shanfield
